

PARTICIPANT AGREEMENT

Reykjavik University ("University") will be collecting voice samples and other information from you, the participant named below, for and on behalf of Google Inc., located at 1600 Amphitheatre Parkway, Mountain View, California 94043, for itself and its subsidiaries and affiliates ("Google").

You confirm that you are of the age of majority and capable of entering into a binding agreement. If you are not, you may not participate and should tell the University immediately.

By participating:

1. You agree to provide voice samples in the language requested by the University, as well as comments, feedback, ideas, reports, suggestions, data or other information as requested by the University (collectively "Feedback").
2. You agree that Google may use this Feedback to develop and improve its products, and that Google may share the Feedback with the University and others, including the general public, to facilitate the development of voice related technologies. You understand that your voice alone or in combination with other information you provide could identify you. You specifically waive and release any potential intellectual property right, right of publicity, or right of privacy claim against Google, the University, or others for use or sharing of your Feedback.

You understand and agree that:

1. During your participation, you may encounter content that you may find offensive, indecent or objectionable. You may choose to not provide Feedback for that content, but you must inform the University accordingly.
2. You must inform the University in writing if you wish to discontinue your participation. If you end your participation, Google, the University, or others may continue to use and share any Feedback collected before you ended your participation.
3. Google, the University, or others are not obligated to use your Feedback. You will not be compensated for your participation or for the use or sharing of your Feedback. Furthermore, you are not an agent or partner of Google because of your participation.
4. Any Feedback you provide to the University or Google and any information the University or Google provides to you during your participation is Google's confidential information. You promise not to share such confidential information with anyone else in any manner.
5. This agreement is governed by the laws of California, U.S.A., excluding California's conflict of laws rules and you agree to submit to the personal and exclusive jurisdiction of the courts located in Santa Clara County, California, U.S.A.
